Images Disclaimer: San Juan Pools has made a concerted effort to provide images that accurately represent the actual color of your pool, however the Iridium process contains natural variations in color, tone, and grain that are difficult to reproduce on brochures and monitors. We cannot guarantee that these images represent the actual colors of the product. Please contact San Juan to receive an actual color sample to truly experience the beauty of Iridium!

American Environmental Container Corp. Manufacturers of San Juan Pools

Addendum to San Juan Manufacturer Limited Warranty to the Original Retail Buyer.

AECC/San Juan Pools (referred as "San Juan") does hereby warrant the surface of its one-piece fiberglass pools only upon this express Limited Surface Warranty to the original purchaser only on the following terms:

1) 10 Year Limited Surface Warranty

San Juan warrants its surface finish against staining, discoloration and excessive fading due to defects in materials and workmanship for 10 years from the date of installation, but not gradual and reasonable color and surface degradation caused by exposure to chemicals or the environment. The pool's Iridium surface finish includes combinations of color pigment and UV protection and this pigment like any material may be subject to minor levels of dulling over time if exposed to direct sunlight. However, any dulling should be uniform in nature and can be re-polished by applying a professional boat polish to the pool surface. "Homeowners must not remove the water from their pool but should use only a licensed pool water management professional who understands the effects of draining a pool and how it is affected by ground water pressure. You must abide by specific cautions provided in the San Juan Manufacturer's Limited Structural Warranty."

2) Exclusions to Limited Surface Warranty

This Limited Surface Warranty is void if:

- a) Repairs are made to the pool and/or spa shell by anyone; or
- b) Damage results from misuse, accident, act of God, ground shifting, windstorms, floods, landslides, subsidence and earthquakes; or
- c) Installation damage, dealer storage and/or transportation; or
- d) Damage caused by operation and/or maintenance equipment and/or accessories including, but not limited to equipment used during installation and/or use of pool covers; or
- e) The water chemistry in the fiberglass pool and/or spa shell is allowed to get outside of standard operating water conditions causing damage to the surface of the pool shell.
- f) The owner does not provide San Juan with access to the job site during normal business hours.

This Limited Surface Warranty does not cover any equipment used in connection with the fiberglass pool and/or spa shell or any other accessories supplied or any properties surrounding the pool and/or spa including but not limited to decks, concrete, wood, masonry or any other surrounds around the pool and/or spa shell. It also does not cover any pain or suffering, loss of use, water loss and/or chemical loss.

3) Buyer's duty to read and follow the Pool Maintenance Manual

The buyer has an express duty to read the Pool Maintenance Manual provided by San Juan upon completion of the installation. A copy of the Pool Maintenance Manual can be found at www.sanjuanpools.com. Failure to maintain your San Juan pool within the parameters of the Pool Maintenance Manual will render this Limited Surface Warranty null and void.

4) Buyer's duty in the event of a breach

In the event of a breach of the Limited Surface Warranty, the owner must notify San Juan of the defect within five (5) days of its discovery by registered mail. Failure to provide notice within the prescribed time and within the prescribed manner shall render the Warranty null and void.

5) Warranty Claim

San Juan in its sole discretion will determine if the warranty claim is due to defect in workmanship or materials or alternatively whether the warranty claim is as a result of the actions or non-action by the installer, customer or some other cause. If San Juan determines that the warranty claim is as a result of the defects in workmanship or materials San Juan reserves the right to repair the fiberglass pool and/or spa shell. Any warranty repairs may require modification to the fiberglass pool and/or spa shell surface or to the texture of the San Juan Iridium finish.

6) Limitations

San Juan shall in no event be liable for any personal injury, property damage, direct, indirect, special, incidental or consequential damage or losses of an kind arising from the performances or supply of the fiberglass pool and/or spa shell. In the event of a breach, the liability of San Juan shall not exceed the original amount paid to San Juan for the fiberglass pool and/or spa shell.

7) Warranty Registration

The warranty registration information must be submitted by the owner in accordance with the San Juan Limited Structural warranty. Submission of the registration information puts the Limited Surface Warranty in effect. Failure to do so will render the Limited Surface Warranty null and void.
